Protect your account with 2-step verification

Each time you sign in to your account on an unrecognized device, we require your password and verification code. Never share your code with anyone.

Add an extra layer of security

Enter your password and a unique verification code.

Keep the bad people out

Even if someone else gets your password, it won't be enough to sign in to your account.

Get started

Choose your verification method

Authy

Verification codes are sent to your phone or the authy app.

Voice or text message

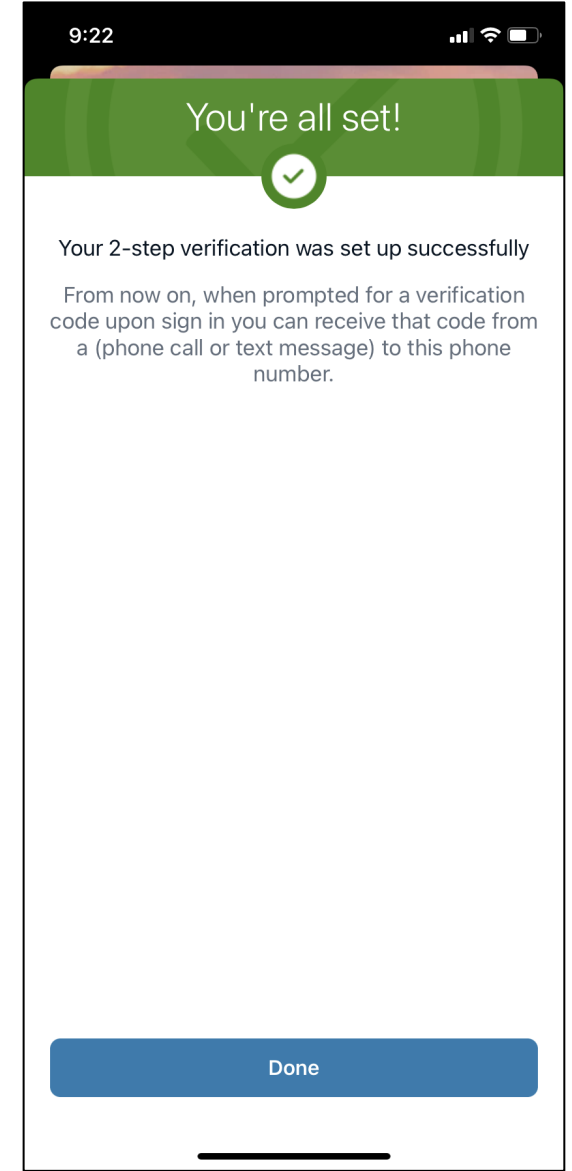

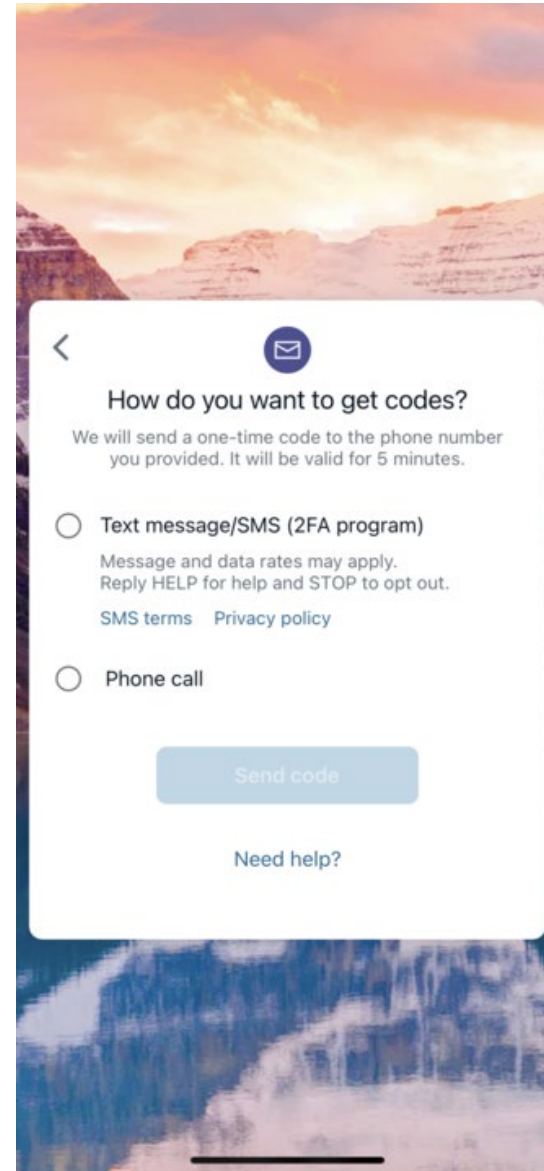

Verification codes are sent to your phone. Message and data rates may apply.

Authenticator app

Using a different authenticator app? We support any authenticator app using manual code entry.

☰ Voice or text message
Verification codes are sent to your phone.

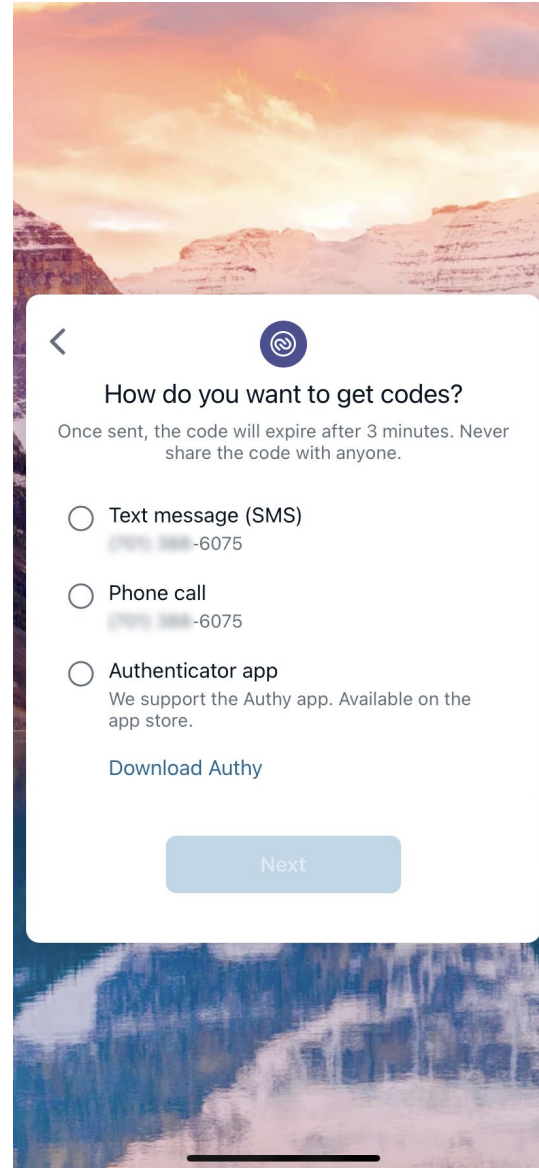

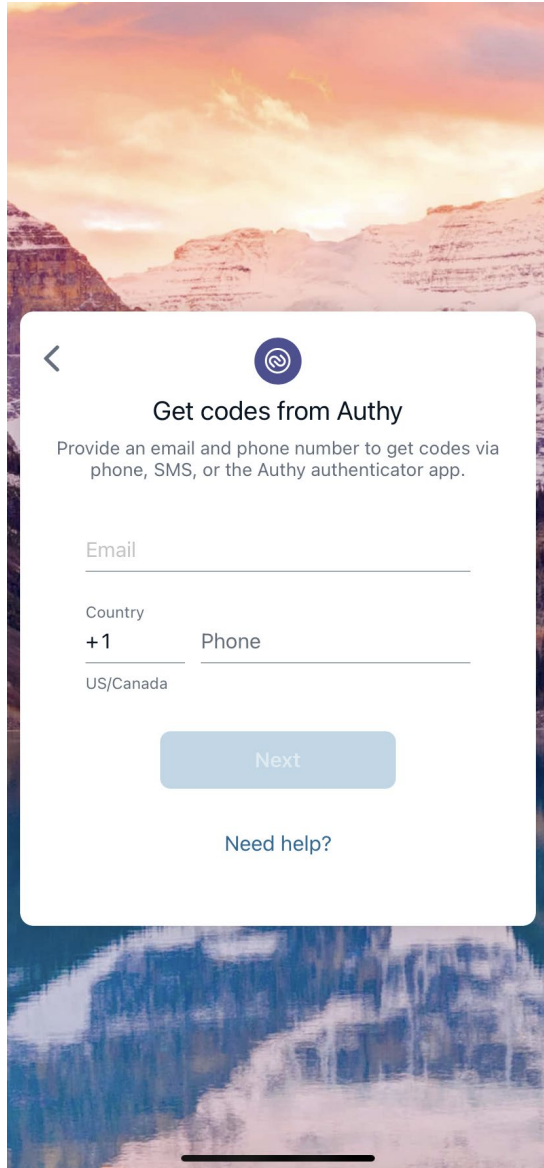

Authy

Use the Authy app to generate a unique code to authenticate your account. Available for iOS, Android, and desktop.

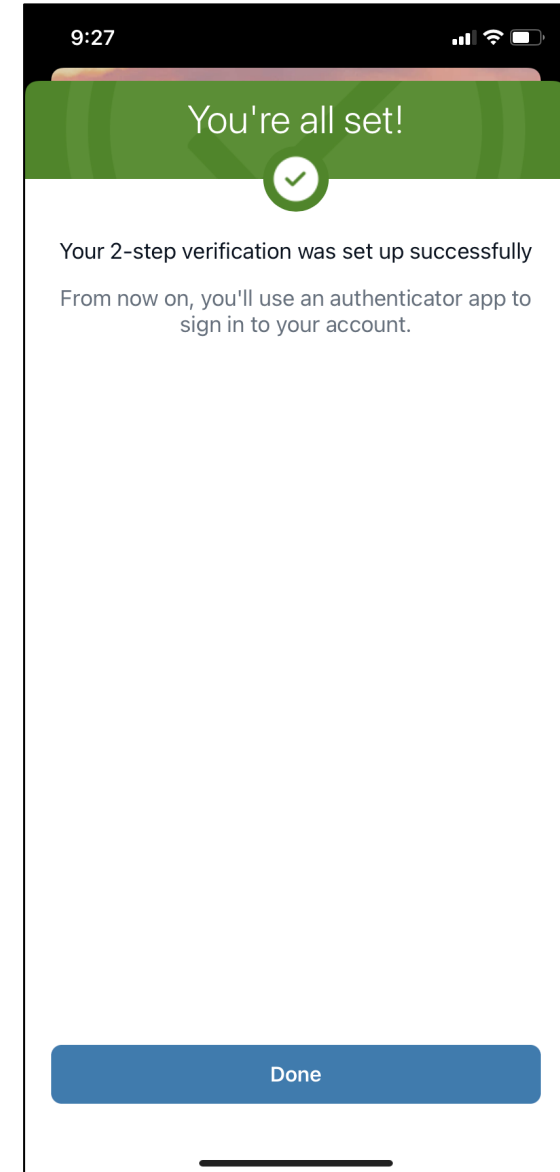

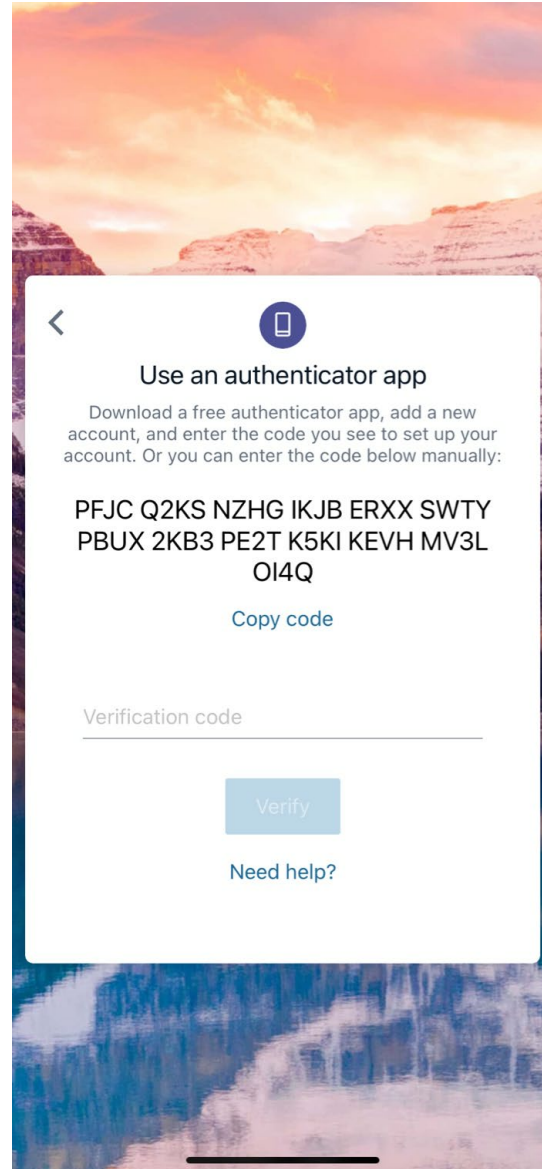

[Download Authy](#)

Authenticator app

Using a different authenticator app? We support using any authenticator app using either a QR code scan or manual code entry.

TERMS OF USE AND THE PRIVACY POLICY

The primary licensor for the online and/or mobile banking service you are using (the "Service") is Jack Henry & Associates, Inc. (the "Provider"). By enrolling in our Service, you hereby agree as follows:

(i) General. The Provider is not the provider of any of the financial services available to you through and the Service, and the Provider is not responsible for any of the materials, information, products or services made available to you through the Service.

(ii) Provider Privacy Policy. Provider may access personal information while you use the Service. Provider may access records held by your financial institution for such information as your phone number, home address or email address. Provider will use this contact information to alert you about Service-related events or actions that require your attention. If you grant permission to use phone information, Provider will use the phone number to pre-populate forms that expect a personal phone number for contacting. If you grant permission to use your device's location, Provider will use the data when checking for nearby branch and ATM locations. If you grant permission to use access photos, media or other files stored on your device, Provider will use that information to add an image to a transaction and add a photo to your profile. If you grant permission to use a camera, Provider will use it when taking a picture to add an image to a transaction or to capture images of a check that is being deposited or to add a photo to your profile. In addition to this Provider Privacy Policy, your financial institution maintains a privacy policy covering the personal and financial information related to your use of the financial institution's services and products, including such information that may be gathered through use of this Service, such as the "Account Information" and "Registration Information" described below. A copy of that privacy policy is available from your financial institution.
